LaCie 2big network 2

DESIGN BY NEIL POULTON

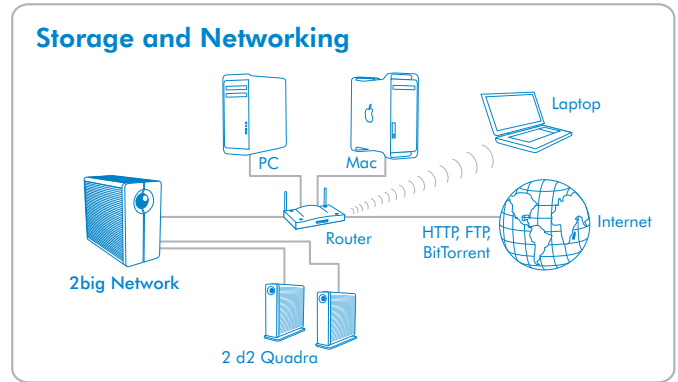

UP TO 68 MB/s SPEED*

Heat Sink Cooling   RAID

Professional 2-Bay RAID Server

Gigabit Ethernet | USB 2.0

Network Storage for Offices

The LaCie 2big Network 2 offers professional, reliable, central storage for instantly storing, sharing, and backing up from any PC or Mac® on your network. Manage your small office network easily with this full-featured file server, recommended for networks with up to 200 users. You can also use your 2big Network 2 as a print server and expand its capacity by connecting external hard drives into the external ports (USB and eSATA).

RAID Protection

You can easily and safely change your RAID mode using the 2big Network 2's web interface. For maximum capacity, choose a RAID 0 array of the two hard drives (your data is not protected in case of disk failure). For maximum protection, choose RAID 1 for automatic mirroring of one disk to the other (available capacity = 50%). This mode allows data protection in case of a 1-disk failure. The hot-swappable disk trays even allow maintenance without affecting your workflow; a defective disk can be replaced easily without having to turn off the 2big Network 2. Extra spare disks are available as an option for immediate replacement.

2BIG NETWORK 2 RAID FLEXIBILITY

| MODE	CAPACITY	PROTECTION	SPEED
RAID 0	100%	None	★★★★
RAID 1	50%	★★★★★	★★★

A Complete Backup Solution

Get extra security and increase data portability by backing up your 2big Network 2—on your own schedule—to an external hard drive through its USB and eSATA ports using the built-in copy system. The 2big Network 2 also comes with three client licenses for Genie® Backup Manager Pro™ for Windows® and three licenses for Intego® Backup Manager Pro™ for Mac. This software can be installed on each PC or Mac for client backups to the NAS, and lets you reliably and efficiently back up your documents, emails, settings, or other digital assets. The LaCie 2big Network 2 is also compatible with Mac OS X 10.5 and 10.6, including Time Machine®, making it an ideal partner for your Mac.

BACKUP
Genie®   Intego®
for Windows®   for Mac®
MANAGER PRO

• Fast access to your NAS—performance up to 68 MB/s*

• RAID 1 hot-swap option in case of disk failure

• Complete backup solution for data integrity

• Advanced power management options

• Dynamic DNS remote access

USB Direct Connection

You can connect your 2big Network 2 directly to your computer through a USB cable to access a dedicated USBShare folder of up to 500GB like a normal external hard drive. This unique feature allows you to gain extra flexibility and mobility for customized usage, so you'll be able to format this USBShare in your preferred file system using your computer.

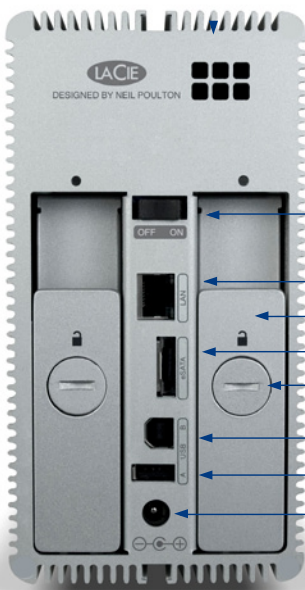

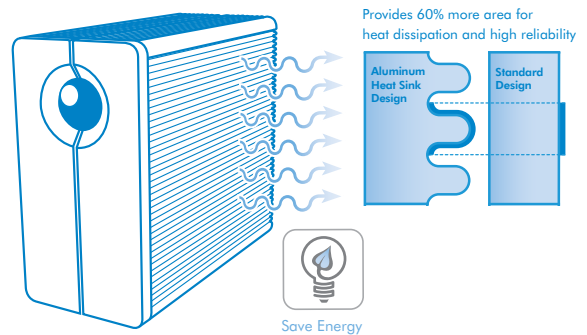

2big Network 2   PC / Mac

Simple, User-Friendly Administration

With the 2big Network 2's new widget-based dynamic web interface, administration is easy, convenient, and secure. Thanks to DHCP and Apipa support, network configuration is fast and automatic. The product integrates easily with existing Windows domains using Active Directory and it allows user, group, share, and quota management. Access to administration pages and shares is easy using LaCie Network Assistant and, on top of that, it can provide its administrator notifications via email of events like backup, RAID, disk failure, high temperature, etc.

Eco-Management

The LaCie 2big Network 2 helps you to reduce power consumption by switching to idle mode (disk spins off) after a determined inactivity time. Also, you can schedule a deep sleep on/off mode according your needs. Thanks to the Wake-on-LAN feature, it can be switched back to operating mode from the client side. The 2big Network 2 also integrates UPS support*** through its USB port to ensure proper shutdown in case of power failure. On top of that, its exclusive aluminum heat sink design makes it your ecological partner—it's recyclable and ROHS-compliant.

Box Content

- LaCie 2big Network 2
- Ethernet cable
- USB 2.0 cable
- External power supply
- Drive stand for upright use
- Utilities CD-ROM with software and User Manual
- Quick Install Guide
- Drawer key

Minimum System Requirements

- Computer with an Ethernet network adapter
- Latest version of: Windows XP, Windows Vista®, Windows Vista 64-bit, Windows 7 / Mac OS X 10.5, 10.6 / Linux 2.6
- Minimum free disk space: 600MB recommended
- Web browsers: Internet Explorer® 7.0, Firefox® 3.0, Safari® 3.0, or Chrome 2.0 or higher

DESIGN BY NEIL POULTON

Item Number	301507	301508	301509
Capacity**	2TB	3TB	4TB
Interface	1 x Gigabit Ethernet 10/100/1000 Base-TX 1 x USB 2.0 (type B)		
Expansion Ports	1 x eSATA 1 x USB 2.0 (type A)		
Burst Transfer Rate* (Over Ethernet)	OS with 64KB I/O – Read: up to 50MB/s; Write: up to 35MB/s OS with 1MB I/O – Read: up to 60MB/s; Write: up to 40MB/s		
RAID Modes	RAID 0, RAID 1 (hot-swappable)		
Network Protocols	File Server: SMB, AFP, FTP, HTTP, HTTPS Others: Apple Bonjour, BitTorrent, NTP, DHCP, Apipa		
Remote Access	Via FTP or HTTP. Dynamic DNS services optional.		
Administration	Direct access to NAS using LaCie Network Assistant Customizable "widget-based" interface		
Backup Solutions	PC to NAS: encrypted, compressed, scheduled, remote (FTP) Data restore and data disaster recovery available NAS to DAS: via built-in copy engine		
Special Features	Hard disk quota management Time Machine compatible Print server▾ Torrent client for standalone downloads NTFS read and write support for external hard disk		
Security Access	Users, groups, and shares management. Private and public access. Active Directory support		
Multimedia	UPnP A/V and DLNA Media Adapter compatible Remote photo thumbnails; MP3 file streaming iTunes® (DAAP) server		
Bundled Software	LaCie Network Assistant for Windows, Mac, and Linux Genie Backup Manager Pro software for Windows Intego Backup Manager Pro software for Mac		
Environment and Power	Automatic standby mode; Scheduled ON/OFF▾▾ Wake-on-LAN Uninterrupted Power Supply (UPS) support*** Recyclable: Aluminum, ROHS		
Cooling System	Heat sink aluminum body Thermoregulated fan		
Dimensions (WxDxH)	90 x 201 x 183 mm / 3.5 x 7.9 x 7.2 in.		
Weight	3.7 kg / 8.1 lbs.		
Warranty	3-year limited		

Premium 3-Year Warranty

ADVANCE CARE OPTION

The LaCie 5big Network 2 comes with a 3-Year Limited Warranty. For superior service, you may purchase an Advance Care Option on the LaCie online store or at your LaCie Reseller within 30 days of your original purchase date. Under this option, LaCie will immediately swap out the product without it needing to be returned first for minimal interruption of your workflow. LaCie covers all freight costs. Availability depends on the sales area. See www.lacie.com for details.
